[^1]
[^0]:    ${ }^{1}$ Engineering Pathways is a cohort-based experience. As such, all technical coursework in the plan of study must be completed as listed and for a grade while enrolled in the program - this includes mathematics, physics, computer science, chemistry, and engineering.
    ${ }^{2}$ Requests to enroll in a course other than a transferable Gen Ed (see General Education Categories) must be pre-approved by an Engineering Pathways advisor at UIUC.

[^1]:    ${ }^{3}$ Class subject to change based on meeting with advisor
    ${ }^{4}$ Major-specific technical courses will be selected in consultation with a program advisor.
    ${ }^{5}$ Optional if the four major-specific technical courses for the semester total at least 15 hours.
    ${ }^{6}$ It is not mandatory that all UIUC General Education categories be completed prior to transfer. However, it is important adequate progress be made; otherwise, time to degree completion may be extended.
