Please note that since the ILEE degree is a dual degree only, students must complete the 31 credit hours listed above. In addition, students must take 19 credit hours of ILEE Technical Electives. These Electives can be chosen from the ILEE Approved Technical Elective list* or students may petition courses that they have already or plan to take which have an innovation, leadership, entrepreneurship, or design component.

*For a listing of the most current ILEE approved technical elective courses, please contact Brooke Newell at bsnewell@illinois.edu.
