

TEC EXCELERATION FUND

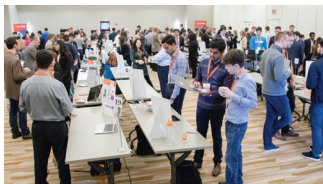

What is the TEC Exceleration Fund?

The TEC Exceleration Fund provides student teams in the Cozad New Venture Challenge with seed funding to launch their new ventures. The partners of the fund are a group of engaged supporters of the Technology Entrepreneur Center who have given their time and resources to help the next generation of Illinois entrepreneurs. These additional funds are awarded to the top teams in the Cozad New Venture Challenge and accelerate their go-to market strategy.

Interested in joining and contributing to the TEC Exceleration Fund?
