Creativity, Innovation, and Vision
TE 333/598, University of Illinois at Urbana-Champaign
4 credit hours

Course Purpose
The purpose of this course is to enhance your creativity, innovation, and vision.

Course Objectives
Upon completion of this course, you will be able to:
1. Define creativity (e.g., having novel ideas and bringing ideas to be), innovation, and vision.
2. Use a model of the creative process in order to:
   2.1. Find problems, including increasing your curiosity and ability to embrace problems as opportunities.
   2.2. Master a set of tools to have ideas, while delaying decision making and tolerating ambiguity.
   2.3. Take initiative, including prototyping to answer key questions and facilitate decision making.
   2.4. Implement solutions, including marshaling resources and persisting.
3. Practice creativity skills regularly and use feedback to improve.
4. Arrange your lifestyle to enhance creativity.
5. Recognize when and how to apply creativity skills in your life.
6. Foster an environment for creativity, including dealing with obstacles to creativity.
7. Evaluate or critique your own ideas and those of others.
8. Understand and use theories of creativity.
9. Lead others in creative processes.
10. Communicate creatively and effectively.

Course Philosophy
Creativity is a vital skill that can be enhanced by learning. You enhance your creativity by becoming proficient with a set of techniques, developing a mindset that favors creative behaviors, and by establishing a lifestyle that promotes having ideas and bringing them to be.

Much of the knowledge you learn in this course will occur through reading, activities, and discussion. Class time will be used to discuss the readings and to work on applications in which you practice new skills by creating in a supportive environment. Class time will also involve reflection and feedback. By design, the course has many components, so staying organized, archiving what happens, and looking for connections will help you get the most from the experience.

Ethics and Integrity
We expect you to uphold the highest ethical standards, to be honest, and to practice academic integrity. This includes doing original work and citing sources, including the work of other students. Please give special care to prepare high-quality submissions with proper grammar and spelling.

Technology Policy
The use of laptops, tablets, electronic handheld devices, music players, and phones are strictly prohibited in class, except for presentations and designated activities.
Accommodations
To obtain disability-related accommodations for this class, students with disabilities are advised to contact the course instructor and the Division of Disability Resources and Educational Services (DRES) as soon as possible. Please contact the instructor after class, during regularly posted office hours, by phone, or by email to discuss your needs. To contact DRES you may visit 1207 S. Oak St., Champaign, call 333-4603 (V/TDD), or e-mail a message to disability@uiuc.edu.

Course Management System
We will use Compass 2g (compass.illinois.edu) for posting documents and submitting assignments.

Instructor
Keilin Jahnke (deahl1@illinois.edu)

Office Hours
Before and after class and by appointment

TE 598 Additional Assignment
Students taking Creativity, Innovation, and Vision as TE 598 will need to complete an additional assignment to justify the 500-level credit. This assignment will be similar to the You Teach Us assignments, but will have greater depth and academic rigor. It will be divided into two parts and further details will be discussed in class.

Required Texts
