Education

1974 B.S. Lewis and Clark College
Portland, Oregon

1981 M.S. General Experimental Psychology
Villanova University
Villanova, Pennsylvania

1987 Ph.D. Clinical and Developmental Psychology
University of Illinois-Chicago
Chicago, Illinois

Professional License New York State Licensed Psychologist 012904 (expired)

Honors and Awards

1986 Clinical Trainee Award
National Institute of Mental Health

1996 Distinguished Alumni Award
Lewis and Clark College

2004 Head Start Scholar Mentor

2005 Fellow, American Psychological Association

2007 Journal of Family Psychology Editorial Appreciation Award

2010 Robert Wood Johnson New Connections Mentor

2011 Daniel J. Ziegler Distinguished Alumni Award
Villanova University

2015 John Clyde and Henrietta Downey Spitzer Teaching Award, College of ACES,
University of Illinois at Urbana Champaign

2015	Team Research Award, College of ACES University of Illinois at Urbana Champaign
2015	Distinguished Service Award, Society of Family Psychology, American Psychological Association
2016	Distinguished Contribution to Couple and Family Psychology, American Psychological Association
2017	Service Award, Society of Child and Family Policy and Practice, American Psychological Association
2018	Distinguished Contribution to Family Systems Research Award, American Family Therapy Academy
2019	Paul A. Funk Recognition Award, College of Agricultural, Consumer and Environmental Sciences, University of Illinois
2020	Nicholas Hobbs Award, Society for Child and Family Policy and Practice, American Psychological Association

Visiting Fellowships

1998-1999	Visiting Faculty Member, National Jewish Medical Research Center Denver, Colorado
2008	Visiting Fellow, Center for Adherence Promotion and Self Management Cincinnati Children's Hospital
2008	Visiting Professor Advertising Education Foundation Draft FCB, Chicago

National Committee and Board Affiliations

1992-1995	Central New York Psychological Association Board Member
2000	Society for Pediatric Psychology Training Task Force
2003-present	Board Member, Wynne Center for Family Research University of Rochester Medical Center Rochester, NY
2004	Society of Pediatric Psychology Family Assessment Task Force
2005-2009	Committee for Policy and Communications Society for Research in Child Development
2006-2008	Committee For Children, Youth, and Families American Psychological Association

2007-2008	Chair, Committee for Children, Youth and Families American Psychological Association
2006	Society of Pediatric Psychology Vision Committee
2007	Biopsychosocial Advisory Team Joslin Center for Excellence in Diabetes Care
2009-2011	American Psychological Association Division 43-Family Psychology Vice President for Education
2009-2013	Co-Chair, Committee for Policy and Communications Society for Research in Child Development
2009	Family Services Development Panel American Association of Family and Consumer Sciences
2010	Science of Research on Families Institute of Medicine The National Academies of Science

Presentations

Invited presentations (selected)

- Fiese, B. H. (March, 1990). Integrating the child into the context of family treatment. Presented at the Veteran's Administration Hospital, Syracuse, N. Y.
- Fiese, B. H. (April, 1990). Dimensions of family rituals: Implications for the represented and practicing family. Presented at The Center for Family Research, George Washington University, Washington D. C.
- Fiese, B. H. (May, 1990). Infant Psychiatry. Presented at the Department of Psychiatry and Behavioral Sciences, The State University of New York, Health Sciences Center, Syracuse, N. Y.
- Fiese, B. H. (March, 1991). The use of family rituals and family stories in therapeutic settings. Presented at St. Joseph's Hospital, Syracuse, N. Y.
- Fiese, B. H. & Levy, S. (April, 1992). Family context in the treatment of children with Insulin Dependent Diabetes Mellitus. Presented at St. Joseph's Hospital, Syracuse, N. Y.
- Fiese, B. H., Irwin, M., & Curry, E. (September, 1992). Pediatric infant-parent exam: A screening technique for detecting early relationship disturbances. Presented at the World Association of Infant Psychiatry and Allied Disciplines, Fifth World Congress, Pre-Congress Colloquy, Training

and assessment issues in infant mental health. Chicago, Illinois.

- Fiese, B. H. (April, 1993). Behavior Modification in the Family Context. Presented at The State University of New York Health Sciences Center Medical School. Syracuse, N. Y.
- Fiese, B. H. (May, 1993). Family rituals: Is there a place for them in the '90's?. Presented at the Summer Institute, Project Advance, Syracuse University. Syracuse, N. Y.
- Fiese, B. H. (February, 1995). Clinical implications of family rituals. Presented at Grand Rounds, Department of Psychiatry, State University of New York, Syracuse, N. Y.
- Fiese, B. H. (June, 1995). The relation between narratives and behavior. Presented at the NIMH Workshop, "Methodological Challenges in the Behavioral Sciences: Issues in Family Research". Bethesda, Md.
- Fiese, B. H. (November, 1995). Reconstructing the past in light of the future: Understanding family stories in a generational context. Presented at the Gerontology Center, Oregon State University, Corvallis, OR.
- Fiese, B. H. (November, 1995). Thinking about family rituals in the 90's. Presented at the Department of Psychology, Lewis and Clark College, Portland, Oregon.
- Fiese, B. H. (May, 1996). Applying family rituals to clinical practice. Presented at the Annual Meeting of the New York State Psychological Association. Buffalo, NY.
- Sameroff, A. J., & Fiese, B. H. (November, 1996). Integration of developmental and contextual approaches in family research. Presented at the Annual Meeting of the National Council of Family Relations. Kansas City, MO.
- Fiese, B. H., & Hooker, K. (May, 1997). Parental meaning-making through family stories of childhood experiences: A developmental perspective. In D. Oyserman (Chair), *Meaning of parenthood-Implications of representations of childhood and parenting in the self*. Midwestern Psychological Association, Chicago, Illinois.
- Fiese, B. H. (May, 1998). Advances and setbacks in measuring family systems: A panel discussion. Family Research Round Table. University of Rochester and the Wynne Center for Family Research. Rochester, NY.
- Fiese, B. H. (October, 1998). Family stories: Developmental considerations and implications for child mental health. Department of Psychology, Denver University, Denver, CO.
- Fiese, B. H. (October, 1998). Tales parents tell: Developmental aspects of family stories. Department of Psychology, University of Michigan. Ann Arbor, MI.
- Fiese, B. H. (October, 1999). A Longitudinal Look at Continuities and Discontinuities in Maternal Birth Stories. Department of Psychiatry, University of Colorado Health Sciences Center. Denver, CO.
- Fiese, B.H. (May, 2000). Discussant. Messages from home: Understanding patterns in family narratives. M. Pratt (chair). Development 2000, University of Waterloo and Canadian Psychological

Association, Waterloo, Ontario. Canada.

- Fiese, B. H. (August, 2000). Family stories of health and well-being. School of Nursing, University of Washington, Seattle, WA.
- Fiese, B. H. (March, 2001). Telling tales and rituals of healthy families. Wynne Center for Family Research, University of Rochester Medical School, Rochester, NY.
- Fiese, B.H. (April, 2001). Discussant. Young children in high risk family contexts: From disrupted attachment relationships to attachment disorders. J. Poehlmann & Inge Bretherton (Chairs). Society for Research in Child Development, Minneapolis, MN.
- Fiese, B. H. (October, 2001). Telling tales and rituals of healthy families. Department of Psychology, Oswego State University, Oswego, NY.
- Fiese, B. H. (October, 2001). Family narratives: Meaning and construction. NSF Panel Socialization of Beliefs. Department of Human Development and Family Studies. Auburn University, Auburn, AL.
- Fiese, B. H. & Wamboldt, F. S. (November, 2001). Family interventions with chronic conditions across the lifespan. NCFR Preconference, Rochester, NY.
- Fiese, B. H. Discussant. The autobiographical mode: The sensitivities, ethics, and delimitas of researching sexual topics. Theory Construction and Research Methodology Workshop, National Council Family Relations, Houston, TX.
- Fiese, B.H. (April, 2002). Discussant. The times of our lives: Identity and life narratives in adolescence. Society for Research in Adolescence, New Orleans, LA.
- Celano, M., Wood, B., Fiese, B., Holmbeck, G., McDaniel, S., & Schoppe, S. (August, 2002). Research on family interaction and chronic illness: Challenges and dilemmas. Discussion group, Divison 43, American Psychological Association Annual Meeting, Chicago, IL.

Courses Offered

Undergraduate: Pediatric Psychology; Family Systems Research; Personality Theory, Transdisciplinary Research Methods (Food and Family, STRONG Kids) *Graduate:* Developmental Psychopathology; Family Systems Research; Family Assessment; Primary Care Consultation; Transdisciplinary Approaches to Obesity Prevention

Former Graduate Students

Julie Poehlmann, Ph.D.; Professor; Human Development, University of Wisconsin, Madison, WI.
 Gemma Skillman, Ph.D.; Associate Professor, Department of Psychology; University of South Dakota, Vermillion South Dakota.
 Kimberly Howell, Ph.D.; Assistant Director of Clinical Training; Argosy University;
 Thomas Tomcho, Ph.D.; Professor; Salsbury University
 Mary Spagnola, Ph.D.; Postdoctoral Fellow; Wynne Center for the Family; University of Rochester, Rochester, NY.
 Robin S. Everhart, Ph.D., Associate Professor, Virginia Commonwealth University
 Jaclyn Saltzman, Ph.D., Senior Public Health Specialist and Epidemiologist at MITRE
 Elizabeth Villegas, Ph.D., Principal Research Analyst at NORC at University of Chicago

Jessica Metcalf, Ph.D., Postdoctoral Research Associate, Nutritional Sciences, University of Illinois at Urbana-Champaign

Former Postdoctoral Associates

Marcia Winter, Assistant Professor, Virginia Commonwealth University

Amber Hammons, Ph.D., Associate Professor, California State University-Fresno

Blake Jones, Ph.D.- Assistant Professor, Brigham Young University

Kate Speirs, Ph.D.- Assistant Professor, University of Arizona
