Newmark (Yeh Center) 3350

Turning the System On

- Press the **[POWER]** button on the projector remote or the display remote.

Using a Laptop

- Connect your laptop to the end of the VGA cable connected to either table input.
- Select the **[INPUT]** button on the display remote to choose the correct input for the table input your laptop is connected to:
    - Table Box 1 (East end of table) – set display to HDMI 3
    - Table Box 2 (West end of table) – set display to PC

Note: Depending on your laptop model, you may need an adapter. Adapters can be borrowed on short term loan (4hrs.) from an Engineering IT Help Desk.

Turning the System Off

- Press the **[POWER]** button once on the display remote. It will take a minute or two to cool off and shutdown.
