

CSL 469B

Turning the System On

- Power on the TV by using the buttons on the side of the TV.
- To select your input, press the input button on the side of the TV, then navigate through the menu on the TV with the channel up and down buttons.

Using Resident PC

- After selecting the mondopad as your source, use the provided mouse and keyboard to use the PC on the display.

Using a Laptop

- Connect to either VGA or HDMI inputs on the left side of the TV.
- Make sure that the TV is in the right source that you are trying to use by selecting the source with the source button the right side of the TV.
- **Note: Depending on your laptop model, you may need an adapter. Adapters can be borrowed on short term loan (4hrs.) from an Engineering IT Help Desk.**

Turning the System Off

- Press the Power button on the side of the TV
