

**Department of Electrical and Computer Engineering
Individual Study Courses**

ECE 396 Honors or ECE 397 Project Application Form

Note: No student may take more than 4 hours of special problems with the same instructor for tech elective credit, nor count more than a total of 6 hours as a technical elective or a required advance ECE course or lab, regardless of the department in which they are taken. In the ECE Department the normal course numbers are: ECE 396, 397, 496 and 499. Some ECE 398 and 498 offerings may also be counted as project courses for this rule.

*Strong justification is required for more than 2 hours in a semester.

OUTLINE OR DESCRIPTION OF PROJECT:

 Instructor's Printed Name

I accept this student in the above project.

 Instructor's Signature

 Signature of an Advisor in Room 2120 ECEB

INSTRUCTIONS

Students should fill in their name and other data at top of the form. Complete a rough outline of the project, working out the details of the outline with the instructor with whom the work is to be done. Have the instructor and an advisor sign the form. **You must return this form to Room 2120 ECEB, Office of ECE Undergraduate Student Advising.**

ECE 396, 397, 496, 499, 398, 498 and other project or special courses previously taken in any department, such as ME 497, include:

Course No.	Hours	Instructor	Subject Covered
