

**Department of Electrical & Computer Engineering
Undergraduate Mentoring Meeting Planner**

Educational goal statement (e.g., Ph.D., M.S., other professional degree):

Area(s) of Interest:

Classes you're planning to take next semester, and in the future:

Why are you planning to take the above classes?

How is your current semester going, and how much time (on average) do you spend on academics (including classes and labs) each week:

Additional plans while in school (Research, Study Abroad, Minors, Internships, etc.):

What do you do outside of class (hobbies, organizations, work):

Future plans (where do you see yourself 5 years, 10 years from now):

What have you learned from your experience at UIUC so far:

What do you expect from this meeting (and is there anything else you wish to discuss/share):
