

Connecting a Windows 7 machine to the MRL Printers

1. Open the start menu, type “run”, and click the option that is selected below

2. Type “\\engr-print-01.engr.illinois.edu” (without quotes) into the field and press “OK”

3. Enter "uofi\netid" (minus quotes and where 'netid' is your netid) into the username field and your A.D. password into the other, then click "OK"

4. Type "mrl" in the search box to narrow your results to the MRL printers
5. Right-click the printer you desire to add and then click "Connect" in the window that pops up
