

Highest Honors Registration Form

“The criteria used by departments in selecting individuals for Highest Honors recognition include outstanding performance in course work and in supplementary activities of an academic and/or professional nature. Ordinarily, the basis for such a citation requires completion of an undergraduate thesis or a special project of superior quality. In rare cases, Highest Honors can be awarded based on outstanding leadership in campus organizations such as IEEE, HKN, etc.”

Name _____ Date _____

UIN# _____ Email _____

Expected Graduation _____

DESCRIPTION OR OUTLINE OF PROJECT OR THESIS:

Based on the above thesis project, I am pleased to recommend _____
