2:45-3:00 PM	End the day with a bang! <i>Physics Van</i>	Loomis -Outside

Event Contact: Merissa Milton – Prior to the event, I will be available by email at majone2@illinois.edu. You can reach me by email or phone 217.244.9524 for any questions/concerns that you have the morning of March 26.

Parking: You will be able to access free parking for Saturday in lot B21 (shown in red). This is the closest parking lot to Loomis (#67 on the map). You can enter this lot either on Green St. or on S. Gregory St. Near the SW entrance is where the event will be centered. If entering on the SE side of Loomis, please walk straight towards the SW side (towards the walnut hallway). Once you reach the end, turn left and continue moving West.

Other POIs: Engineering Quad, Grainger Library, Illini Union, and Illini Union Bookstore. These can all be accessed by exiting Loomis, and turning right (walking West) along Green St. Furthermore, many of the popular campus eateries can be accessed by walking West on Green St.
