OUR JOB

The Career Services office seeks to provide guidelines, resources, and opportunities to School of Chemical Sciences job seekers to help them achieve their career aspirations relevant to their academic interests and to facilitate and support connections between employers and those job seekers. Whether you are seeking a career in industry, higher education, or seeking to gain practical experience through a summer or semester internship or co-op, we can help.

HOW WE CAN HELP

• Access to Handshake @ Illinois, our recruitment & career services platform
• Resume and cover letter reviews
• Mock interviews
• Workshops and seminars
• Career fairs
• Negotiating and networking support
