

Recognizing the service and impact of We CU volunteers and scholars.

The We CU Community Engaged Scholars program empowers students to make a positive impact in the community while building their resume/CV and enriching their university experience. We CU honors the following students for their community-based work in social and racial justice, health and mental wellness, combatting isolation, youth advocacy and education, translation and immigrant services, community outreach, and arts and culture.

 = We CU Scholar distinction

We would like to thank and recognize the following scholars for dedicating 200 or more hours of their time over the course of their college experience to serving the needs of the Champaign-Urbana community.
