

Participant Agreement

I commit to my participation in the Alaska Cohort of the Academic Leadership in Challenging Times program. I understand that meetings will be scheduled in advance, and once scheduled, I will prioritize my participation in those meetings and make every effort to clear conflicts that may arise.

I understand that this program is for my own development and that the more I put into it, the more I will benefit.

In engaging with other members of the cohort, I will approach our conversations in good faith and will keep discussions shared during our sessions in confidence.
