Spring 2023 Computer Science Undergraduate Course Restrictions

The CS Department will only release RESTRICTIONS on given dates. A date given does not automatically mean there will be seats available to release on that date. It is not possible to provide an exact time of day when seats will be released. We will attempt to adjust restrictions between the hours of 9:00am and 5:00pm on that date. If the day is busy it may take additional time after 5:00pm.
