

weSTEM 2023

be **INSPIRED** | stay **MOTIVATED** | grow **PASSIONATE**

February 11th, 2023 - I-Hotel

Join the Graduate Society of Women Engineers (GradSWE) for the 11th annual Women Empowered in STEM (weSTEM) Conference

Leaders in academia, industry, and national labs will share their experiences in pursuing diverse career paths beginning with a graduate degree. Fuel your inspiration to excel in your field, find motivation to complete your graduate degree, and explore your passion for making an impact on the world!
