Tour SCD

Learn more about SCD and human-centered design - visit these ★ points of interest around the Center

Just like the Design Thinking process, our tour does not have to follow a linear path; you’re welcome to wander, and encouraged to explore!

- Creature Kiosk: Get an overview of SCD and what we have going on
- Walk Through the Gallery: Peek into the classrooms and Media Studio, or admire the art from campus creators
- Assessment & Research Lab: Learn about our work in human-centered design
- Collaboration Studios: See teams in action throughout SCD, in Sunset and Twilight Studios, and the Moonlight Bay
- The SCD Labs: Spaces and equipment for creating in all media, from lo-fi prototypes to final products
