

PhD Qualifying Exam Statement Form

Name:	NetID:	Last Qualifying Exam Date:
Ph.D. Advisor:	Co-Advisor or de Jure Advisor:	

Graduate students who entered Illinois Fall 2011 or later whose native language is not English (regardless of US citizenship) are required to have passed the speak section of EPI, TOEFL, or IELTS exam. Please indicate the test you took and when.

EPI (MM/YY)		TOEFL or IELTS (MM/YY)	
Please check this box if you would like to share your name with other students in your research area taking the qualifying exam or a mentor in your research area to receive feedback or assistance in preparing for the qualifying exam.			

Please select a Research Area in which you wish to be examined by checking the box beside the area. When sub-areas are available, please indicate ranking of sub-areas (1, 2, 3, etc.) when multiple areas are selected.

	Architecture, Compilers & Parallel Computing		Systems & Networking (Rankings are required for 4 sub-areas. The sub-area in which you prefer not to be evaluated should be left unmarked.)
	<i>Computer Architecture</i>		<i>Cyber-Physical Systems</i>
	<i>Compilers</i>		<i>Distributed Systems</i>
	<i>Parallel Programming</i>		<i>Networking</i>
	<i>System Architecture</i>		<i>Operating Systems</i>
			<i>Wireless and Mobile Systems</i>
	Interactive Computing		Artificial Intelligence
	<i>Graphics</i>		<i>Auto Reas/Mach Learning/Natural Lang Proc</i>
	<i>HCI</i>		<i>Vision & Robotics</i>
	<i>Visualization</i>		
	Programming Languages, Formal Methods & Software Engineering		
	<i>Formal Methods</i>		
	<i>Programming Languages</i>		
	<i>Software Engineering</i>		
	Algorithms & Theory		
	Bioinformatics and Computational Biology		
	Computers and Education		
	Databases & Information Systems		
	Scientific Computing		
	Security and Privacy		

Please submit your research statement.
