

Tour SCD

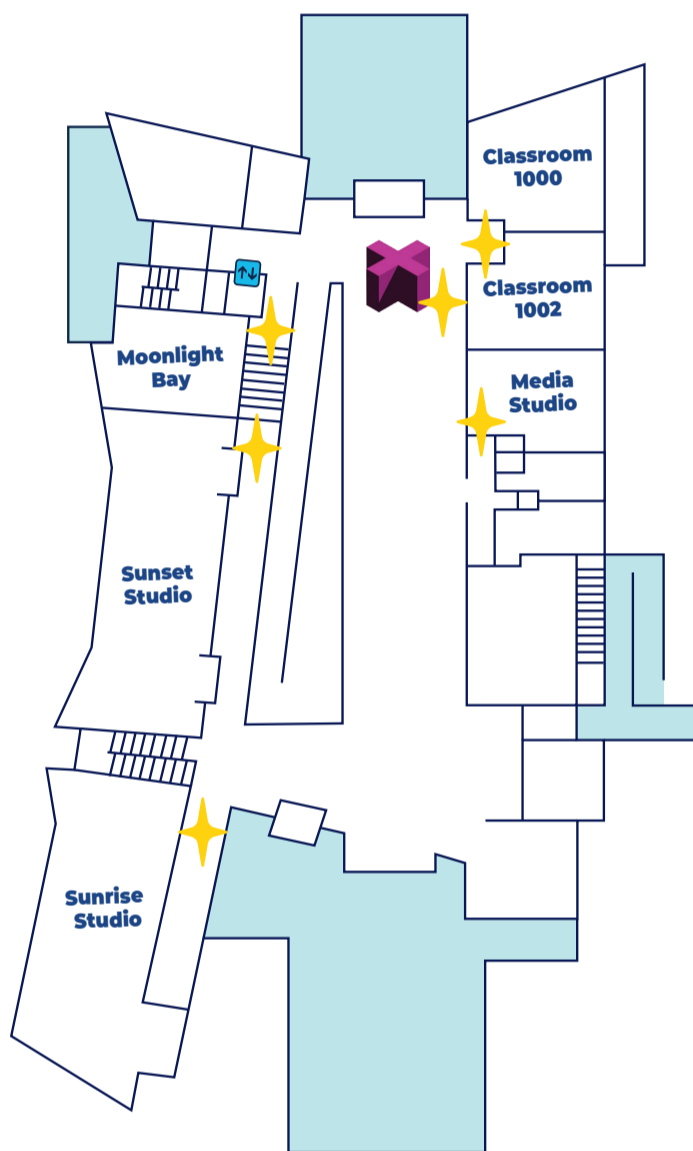

Learn more about SCD and human-centered design visit these ✨ points of interest around the Center.

Just like the Design Thinking process, our tour does not have to follow a linear path; you're **welcome to wander**, and **encouraged to explore!**

Creature Kiosk: Get an overview of SCD and what we have going on.

Walk Through the Gallery: Peek into the classrooms and Media Studio, or admire the art from campus creators.

Assessment & Research Lab: Learn about our work in human-centered design.

Collaboration Studios: See teams in action throughout SCD, in Sunset and Twilight Studios, and the Moonlight Bay

The SCD Labs: Spaces and equipment for creating in all media, from lo-fi prototypes to final products
