

EXEMPTION FROM FULL-TIME REGISTRATION

Effective Fall 2021, all students in The Grainger College of Engineering graduate programs must register for at least 9 credit hours. This includes all Aerospace Engineering graduate students.

Students wishing to register for less than 9 credit hours in an individual semester are required to request advance permission for this from the AE Graduate Program Office.

Name: _____

Program: _____ MS NT _____ MS _____ Direct PHD _____ PHD

Advisor: _____

Reason for Request:

_____ Student holds significant employment outside the University, including an internship. Please include documentation with this request.

_____ Student is in a coursework-only master's program in their last semester of study and has fewer than 9 credit hours left to complete their degree requirements.
