

## Spring 2024 Computer Science Undergraduate Course Restrictions

The CS Department will only release RESTRICTIONS on given dates. A date given does not automatically mean there will be seats available to release on that date. It is not possible to provide an exact time of day when seats will be released. We will attempt to adjust restrictions between the hours of 9:00am and 5:00pm on that date. If the day is busy, it may take additional time after 5:00pm.

Date	ST = Staggered registration indicates the following restriction schedule, in addition to any major restrictions				
10/30	ALL CS GENG along with &/+ students that were first-time freshman FA20 or before and off campus transfers				
11/8	CS GENG along with CS &/+ students that were first-time freshman FA21 or before				
11/13	CS GENG along with CS &/+ students that were first-time freshman FA22 or before				
11/15	All remaining CS students as time tickets permit.

Students should mark sections as “Favorites” in the Class Schedule found in Course Explorer to be notified when additional seats have been released.

\*Sign-up for the CS Advising piazza for the most up to date information about the CS advising office and CS courses: <https://piazza.com/illinois/other/csadvising>

\*\*CS 340: This course will only be open to all CS &/+ majors as it is an option for them vs 233/341. CS GENG are required to take 233 and 341.

All students still needing 126 to complete their degree will need to take the CS 128 and CS 222 sequence.

All 400 level CS courses will restrict first-time freshman enrolling in them and prerequisites will be enforced. To find out the prerequisites for a course look at the entry for the course in the Class Schedule found in Course Explorer. It will also list in the section notes any other restrictions on the course.
