

Fall 2024 Computer Science Undergraduate Course Restrictions

The CS Department will only release RESTRICTIONS on given dates. A date given does not automatically mean there will be seats available to release on that date. It is not possible to provide an exact time of day when restrictions or seats will be released. We will attempt to adjust restrictions between the hours of 9:00am and 5:00pm on that date. If the day is busy, it may take additional time after 5:00pm.

All 400 level CS courses will restrict first-time freshman enrolling in them and prerequisites will be enforced. To find out the prerequisites for a course look at the entry for the course in the Class Schedule found in Course Explorer. It will also list in the section notes any other restrictions on the course.
