CAPSTONE EXERCISE:

Pulling it all together

Each group will present ideas to the full cohort:
Each group is (together) the department head.
Use everything we have discussed this year.
How will "you" address these challenges?

7

Leading with Intention

Leadership with a clear sense of
purpose and direction in mind.

— *and* —

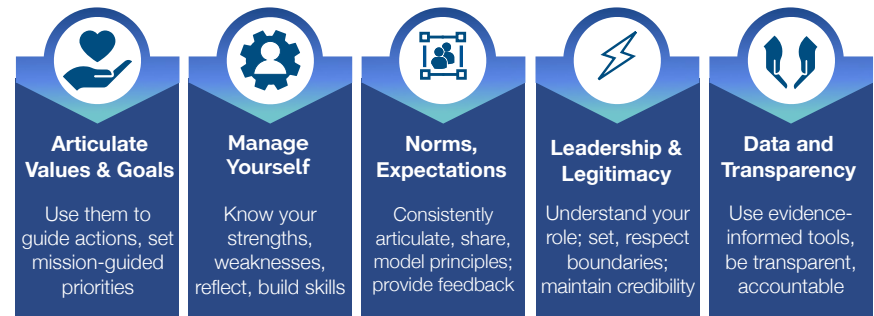

How you get there is just as important
as *what* you are trying to achieve: the
right goal can be undermined by flawed
or absent process.

8

Leadership Responsibilities

-  Establishing and communicating purpose
-  Making effective and ethical decisions
-  Creating, managing responsive processes
-  Cultivating culture of open, frank communication
-  Building, empowering a functional team
-  Creating a culture where everyone can thrive

Principled Academic Leadership Foundations

Tools, Skills, and Concepts

Putting Into Practice

-  Communicating the framework (assumptions)/modeling the thinking
-  Building trusting relationships with people around you
-  Creating a practice for trying new things and learning from them

Into the Future...

What one or two specific goals are you setting for yourself?

What are your metrics?

Milestones?

What will be different if you succeed?

Take a few moments:

-  What are your **takeaways** from this program?
-  What would you like to **learn more** about?
-  The most useful thing I can **apply** is...

Focus on principles and facts.
Don't let it be about you.
