## Plan of Study<sup>1</sup> – Rend Lake College

## First Year - Option 1

| Fall Semester                              |  | Hours |
|--|--|-------|
| MATH 1121                                  | Calculus and Analytic Geometry I           | 5     |
| CHE 1103                                   | Inorganic Chemistry                        | 5     |
| CSCI 1104                                  | Introduction to Programming                | 4     |
| General education or elective <sup>2</sup> |  | 3     |
|  | Semester Hours                             | 17    |
| Spring Semester                            |  |       |
| MATH 2122                                  | Calculus and Analytic Geometry II          | 5     |
| CHE 1104                                   | Qualitative Analysis & Inorganic Chemistry | 5     |
| PHY 1103                                   | University Physics I                       | 5     |
| General education or elective <sup>2</sup> |  | 3     |
|  | Semester Hours                             | 18    |

## First Year - Option 2

| Fall Semester                              |  |    |
|--|--|----|
| MATH 1121                                  | Calculus and Analytic Geometry I           | 5  |
| CHE 1103                                   | Inorganic Chemistry                        | 5  |
| General education or elective <sup>2</sup> |  | 3  |
| General education or elective <sup>2</sup> |  | 3  |
|  | Semester Hours                             | 16 |
| Spring Semester                            |  |    |
| MATH 2122                                  | Calculus and Analytic Geometry II          | 5  |
| CHE 1104                                   | Qualitative Analysis & Inorganic Chemistry | 5  |
| PHYS 1103                                  | University Physics I                       | 5  |
| CSCI 1104                                  | Introduction to Programming                | 4  |
|  | Semester Hours                             | 19 |

<sup>&</sup>lt;sup>1</sup> Engineering Pathways is a cohort-based experience. As such, all technical coursework in the plan of study must be completed as listed and for a grade while enrolled in the program – this includes mathematics, physics, computer science, chemistry, and engineering.

<sup>&</sup>lt;sup>2</sup> Requests to enroll in a course other than a transferable Gen Ed (see General Education Categories) must be pre-approved by an Engineering Pathways advisor at UIUC.

## **Second Year**

| Second Year                                  |                                     |     |
|--|-------------------------------------|-----|
| Fall Semester                                |                                     |     |
| MATH 2123                                    | Calculus and Analytic Geometry III  | 4   |
| PHYS 1104                                    | University Physics II               | 5   |
| PHYS 2101                                    | Statics                             | 3   |
| Major-specific technical course <sup>3</sup> |                                     | 3   |
|  | Semester Hours                      | 15  |
| Spring Semester                              |                                     |     |
| Major-specific technical course              |                                     | 3   |
| General education or elective <sup>4</sup>   |                                     | 3   |
|  | Semester Hours                      | 15  |
|  | Electives                           | 4   |
|  | Total Hours:                        | 69  |
| General Education Categories <sup>5</sup>    |                                     |     |
| Composition I                                | ENGL 1101 & ENGL 1102               | 4-6 |
| Advanced Composition                         | typically completed after transfer  |     |
| Humanities & the Arts                        |                                     | 3   |
| Humanities & the Arts                        |                                     | 3   |
| Social & Behavioral Sciences                 | ECON 2101 or ECON 2102 or PSYC 2101 | 3   |
| Social & Behavioral Sciences                 |                                     | 3   |
| Western/Comparative Cultures                 |                                     |     |
| Non-Western Cultures                         |                                     |     |
| US Minority Cultures                         |                                     |     |

Language Other Than English (LOTE)

<sup>&</sup>lt;sup>3</sup> Major-specific technical courses will be selected in consultation with a program advisor.

<sup>&</sup>lt;sup>4</sup> Optional if the four major-specific technical courses for the semester total at least 15 hours.

<sup>&</sup>lt;sup>5</sup> It is not mandatory that all UIUC General Education categories be completed prior to transfer. However, it is important adequate progress be made; otherwise, time to degree completion may be extended.
