

MEET US AT THE **QS Discover Master's Fair**

**February 11, 2026
6:00 - 8:30 pm CST**

Sheraton Mexico City
Maria Isabel Hotel

Are you interested in a master's program?

We invite you to visit our booth and learn how a master's degree from **The Grainger College of Engineering at The University of Illinois Urbana-Champaign** can unlock your potential and advance your career.

- Our top-ranked college offers over 30 master's degree options, including many fully-online programs that accommodate working professionals.
- If your focus is job preparation or management training, many of our professional master's of engineering (M.Eng.) programs include a capstone project, where you have the opportunity to connect with industry partners to solve a real-world problem.
- **A limited number of application fee waivers will be available to QS Discover Master's participants who visit the Grainger College of Engineering booth.**
