

ILLINOIS | Graduate College

IMPORTANT: The purpose of the Academic Plan is for the student, their advisor and the student's department to have a discussion in order to develop a plan for completion of remaining degree requirements.

This form must be included with all Graduate College petitions for an extension of time to complete remaining degree requirements. The Graduate College policy on time limits can be found in the Graduate College Handbook.

Academic Plan for Completion of Degree Requirements

Date of Plan:

Program:

First Term in the Program:

Planned Graduation Term:
